

Terms & Conditions for Use of Certification Logo & ACB Symbol

1. Use of Certificate

- The certificate is valid only within the defined scope of certification and during its validity period.
- The certificate and related rights are non-transferable. Clients must not authorize third-party use.
- Clients may reproduce the certificate (e.g., photocopy or scan) for publicity or verification. Reproductions can be in full color and do not require watermarks.
- All certificates remain the property of Synergy Certification Sdn Bhd and must be returned immediately upon suspension, termination, or withdrawal of certification.

2. Use of the Certification Logo

The certified organization shall use the certification logo with the following conditions:

- a. Clearly indicate the certified scope and avoid implying certification for non-certified operations.
- b. If there is reduction of certification scope, all marketing materials must be promptly updated.
- c. Use of the certification logo shall be discontinued immediately upon certification suspension or termination.
- d. The certification logo shall not be altered, and any resizing shall maintain its original proportions.
- e. Certification logo rights are non-transferable, even during company ownership changes, without Synergy's written approval.
- f. of client and no such claim shall be made.
- g. The certification logo is allowed to be used in the following area:
 - i. Official letterheads and corporate stationery.
 - ii. Marketing and promotional materials.
 - iii. Signage identifying company premises or facilities identification.
 - iv. Vehicles (e.g., fleet or delivery) and transport packaging provided that the use clearly relates to certified management systems.
- h. The certification logo is not allowed to be used in the following area:
 - i. On products or primary product packaging or in a way that may be interpreted as product certification or product conformity.
 - ii. Test & calibration laboratory management system certification (ISO/IEC 17025) is not equivalent to Accreditation Certification Body (ISO 17021) as such Synergy's logo shall not apply in testing, inspection or calibration report of client and no such claim shall be made.
